INSPIRING GIVING AS A WAY OF LIVING AROUND THE WORLD™

"Igniting Passion
for Community Give-Back"*

Initiative I:

Install meaningful *Community Give-Back
Messages In Public Places*

Sample Wakeup Message

...on a Portland, Oregon bench next to a
Giving Opportunity Information Kiosk:

"I WANT TO LIVE IN A WORLD WHERE WEALTH IS
MEASURED BY HOW MUCH YOU SHARE."

– Sharif Abdullah www.commonway.org

Imagine Your Community Where:

- Passion-based giving is just a way of living
- Community give-back messages and Giving Info Kiosk's are everywhere
- Volunteerism is driven by "pride of place"
- Donor role models are honored by having their words shared in public places
- Giving is modeled and taught from cradle to grave
- People don't have to be asked . . . they seek out opportunities to give
- Families and businesses have a committed personal "giving mission"

What Does It Look Like?

- A memorable giving wake-up quote installed in an artful way
- An Information Kiosk with contacts and options for volunteering and donating
- A step-by-step proven process for success in your community
- Access to proprietary giving support tools
- A tracking system to measure impact
- A website with map of locations, user group listserv and on-line consultation
- A self-sustaining secondary licensing model to spread it worldwide
