Going Forward	**7. Support Needed or Wanted**	**8. What Really Matters**	**9. Immediate Next Steps**

Stakeholder Interview Canvas	Name/Project/Date:

	Context	*Vision*	*Results*
Background	**1. Position, Role, Key Relationships, Responsibilities, Contact Info** *Where do you fit into the organization, system, workflow?*	**2. Main Goals or Objectives** *What are you working on? What do you want to achieve through this project and/or collaboration? And why now?*	**3. Resources, Challenges and Blockers** *What resources do you bring to this work? And what has made things harder or slower?*
Current Sense	**4. Risks, Concerns, Fears, Unknowns** *What are your biggest concerns about what you know and don't know now?*	**5. Definition of Awesome** *What would it look like if everyting magically worked out for the very best?*	**6. Satisfactions and Frustrations** *What's gone well and easy and what is making you crazy?*
Going Forward	**7. Support Needed or Wanted** *What can I/we do to move you closer to best possible outcomes?*	**8. What Really Matters** *Where is the 20% of the solution that might deliver 80% of the value?*	**9. Immediate Next Steps** *What is most important for me/us do now and/or next?*
